

## **Planned runway closure at KIX due to upcoming Typhoon Trami - From 11:00 am, September 30 through 6:00 am, October 1 -**

To prepare for the possible impact of the upcoming Typhoon Trami and ensure the safety and security of our passengers, there will be a planned closure of runways at Kansai International Airport (KIX) from September 30 through October 1. We apologize in advance for the inconvenience and appreciate your understanding.

Please note that specific flight operations as well as transportation services to the airport during the planned closure period will be determined by each operator. For their own safety, we advise our airport guests not to come to the airport unless it is absolutely necessary.

### (1) Planned runway closure (Runways A and B)

From 11:00 am on Sunday, September 30 to 6:00 am on Monday, October 1

- The duration of the closure is subject to change depending on weather or other conditions. We will inform you in advance of any change to the closure period.
- Please check with your airline to determine the status of your flight. For a contact list, please click [here](#).

### (2) Update on ground transportation

Please contact the following operators:
