Request to international arrival passengers

～Request from Ministry of Health, Labor and Welfare and Kansai Airports～

As a measure to prevent the spread of COVID-19, we request **passengers entering or returning to Japan from overseas** during the 14 days quarantine period to refrain from using trains, bus, taxi, domestic flights or other public transportations that are used by a wide range of people.

Please use private car, family pick-up, car rental or reserved hired car service.

Thank you for you understanding and cooperation with prevention measures.

Access options for passengers arriving from overseas
